Ziviltechnikerinnen-Tage 2019

Female Architects and Chartered Engineering Consultants Convention 2019

another VIEWture | 5th - 7th September 2019 | Linz - Austria

Between celebrating 10 years ZIMT 09 and 100 years of women's studies in Austria, we will take a female gaze at future digital influences. Within the context of „another VIEWture“ we will explore how artificial intelligence affects our profession and work.

In cooperation with „Ars Electronica Festival“ we offer guided tours, workshops, lectures and concerts.
